Commemorate the Holocaust and Educate Our Future Generations

Our Goal

This year our community plans to raise money for the Yad Vashem Museum, Israel's official memorial to the Holocaust and its six million Jewish victims. Our goal is to get all community members involved by giving some donation, and eventually to dedicate two plaques on behalf of the Mashadi Community. With these dedication plaques, we hope to encourage people from our community and future generations to visit the Yad Vashem Museum on their trips to Israel, and educate themselves on this extremely important and tragic event in our history.

How can you participate?

- ✓ **Make a donation** (\$20 suggested donation for anyone over age 12, preferably by check payable to UMJCA)
- ✓ **Spread the word!** Inform your friends, family members, and community members about this community goal and ask them to join you by making a donation
