

To my dear Community, I wanted to personally thank all who participated in this beautiful mizvah opportunity of collecting clothes shoes and toys to send out to our Jewish refugees in israel that are so in need .

I was deeply touched by our beautiful community, to see after one announcement by Mr Yossi Namdar, the incredible Turn out !Enormous amounts of bags with anything and everything that was needed, got dropped by my house door.

I personally want to thank each one of you, especially the volunteers that came with so much joy and excitement to help close the boxes and carry them to the containers .

Baruch H” we were able to close 180 boxes that landed this week and got distributed in the locations where the refugees are found .

I hope , we can all always remember that we can only create a better world by building it together , trough kindness and care and giving .

Because giving ,  
Is Receiving

as we will always be here to support anyone in times of need .

May Hashem continue to bless our community with unity, abundance and the ability to do Chesed

And May we always gather in good occasions

With love and gratitude
