

We are proud to share that Pinchas Shaer, son of Mr. And Mrs. Avraham and Mahin Shaer, was recently given a very special award. It was presented from the Israeli Defense Forces on behalf of his work with My Soldier, an organization that he founded and continues to run today. As depicted by the number on the medal, this esteemed award has only ever been given to 88 people. Over the past several years, Pinchas has worked very closely with both the Israeli Defense Forces and Border Police to provide Israel's soldiers with unmet needs.

My Soldier's work focuses on improving the quality of life of IDF soldiers who are protecting Jews in Israel and worldwide. As an official partner of the IDF and a boutique-run organization, it has been able to forge direct relationships with units and commanders across the country. This unique positioning allows My Soldier to assess real-time needs. Projects include infrastructure initiatives as well as providing soldiers with vital items, servicing both their spiritual and physical needs.

To date, the organization has been involved with building gyms, synagogues, recreating centers, and dormitories on bases throughout the country. Additional initiatives include providing the bases and soldiers with items for Jewish holidays, tefillin, mezuzahs, sefer Torahs, and care packages with vital necessities. My Soldier understands that while our soldiers are on the front lines, we must continue to provide whatever support we can.

Mazal Tov Pinchas for all you have done and continue to do every day!
